

Testimony of Nicholas Glomb
to the Appropriations Committee
February 15, 2013

Good evening. My name is Nick Glomb. I live in Rockville with my brother and my dad. I receive Individualized Supported Employment supports from the Department of Developmental Services.

I am using my DDS supports to learn how to start my own business – a hot dog cart. Then, someday I hope to have my own restaurant.

I am concerned about the cuts to the budget for DDS.

If you let this happen I will have no place to live in the future and how I can own my hot dog cart and my restaurant if you fail us as DDS clients?

Thank you for your attention.
